

**MARK SNEDDON | DIRECTOR**

*Diploma of Financial Services | Finance / Mortgage Broking Management*

*Mark worked in hospitality, retail and warehousing in the years prior to moving into finance. In 2007 Mark moved into mortgage broking. Initially working with two national brokering firms, gaining experience and knowledge along the way.*

*In 2009 Mark joined another national brokerage, initially as a Loan Writer and processor. He quickly took on additional duties, looking after back-end processes, initiating process training protocols, as well as manuals for new staff.*

*Mark excelled in the broking space and over the years only increased his understanding of credit policies, making sure loans are structured correctly to minimise risk and provide flexibility keeping clients in control of their own assets. Package an application properly it will be processed and approved quickly.*

*June 2018 saw Mark transfer to another office within the organisation. In January 2021, Mark assumed ownership of the franchise and grew the business even further. October 2022 saw the business undergo a major restructure, due to the head group winding up trade. This brought a change of name, to what you see now as **Foundation Mortgages**. He is responsible for the daily operation of Foundation Mortgages. Being head of an Elite Brokerage, Mark is still providing exceptional service and knowledge to his clients.*

***Speaking with Mark, you will notice a passion and enthusiasm for finance.***

*Outside work, Mark is a husband, father of 8 children and several grandchildren. In his spare time, Mark enjoys reading, exploring new areas of the Sunshine Coast, researching his family tree. Mark's other great passion is travelling. With his favourite destination being New Zealand's South Island.*
