

JASON WOON | FINANCE STRATEGIST

Diploma of Finance & Mortgage Broking Management

Jason has worked in domestic construction and renovation, hospitality, warehousing and retail between 1994 and 2021 prior to moving into finance.

After an accident in 2017 Jason needed a career change.

In early 2019 Jason was approached to move into mortgage and finance broking.

Completing the Diploma of Finance and Mortgage Broking Management in 2020, Jason has achieved accreditation with a large range of finance providers. During this time, Jason has learned all the basics for assessing, structuring and submitting residential loan applications. Additionally, gaining knowledge of numerous lending policies and how best to use these based on the client's needs, servicing, product requirements and goals.

In 2021 Jason joined the team. He is quickly taking on additional duties, looking after back-end processes and broker appointments. Jason is committed to improving his understanding of the lenders credit policies, making sure loans are structured correctly to minimise risk and provide flexibility keeping clients in control of their own assets. Being part of an Elite Brokerage, Jason is continuously broadening his knowledge daily which is complemented by the mentorship undertaken with Foundation Mortgages Director, Mark Sneddon.

Outside of work, Jason is a family man who enjoys spending time with his children & grandchildren. When he's not gaming with his sons, he's out exploring the Ipswich Hinterlands on his motorbike. Jason and his wife enjoy travelling, with plans to one day travel around Australia first by ship, then by RV as well as exploring overseas.
